On or about November 4, 2016 we served you with our Motion to compel Mr. Whatcott to reveal the identities of the remaining unnamed defendants.

You have mentioned in previous correspondence that you do not know the names of the other Gay Zombies who marched in the Toronto Pride Parade with you and Mr. Whatcott. However, we would like to examine you on the extent of your knowledge of the identity of the other Gay Zombies.

Please provide your availability for examination this Wednesday, Thursday or Friday. The examination will take place at:
